FICA Requirements

The following documents must be submitted with all new product subscriptions. We need this information for credit checking and account verification purposes. No subscription will be processed without the required documents.

- | | |
|--|---|
| <ul style="list-style-type: none"> Copy of ID Proof of Residence 3 Months Bank Statements | <ul style="list-style-type: none"> Company registration documents (If going under a company name) Pay slip (If going under personal name) |
|--|---|

Please Note: All pricing quoted Excludes VAT

Is this an UPGRADE to your Existing Interprise Subscription?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
---	-------------------------------------	------------------------------------

NB: If you have answered **yes** to the above question, the following will apply: Your account will be debited on the 1st day of the next month for your monthly subscription plus the pro rata portion from the date you upgraded.

Please Note: This service is subject to a 12 months contract. Should you wish to cancel the contract, a full **90 days** prior notice must be given after the initial 12 month contract period has expired. Early termination of the contract will incur financial penalties. At termination of the contract, the device (router /firewall) must be returned in full to Interprise – we advise you to retain all packaging, cabling etc. for this purpose.

Option 1: Business ADSL Extreme Capped Solution (All Line Speeds)

This service is capped - **when the Cap bandwidth has been used in a calendar month period, the line speed will be reduced to 64 kbps.** The Cap resets on the 1st of the month. Suitable for businesses who know their monthly internet capacity requirements. Service is a premium exceptionally performing ADSL service offering the best performance comparative to other DSL services. Top-ups are available in various denominations once cap is reached. **This option is subject to a 12 month contract and all pricing includes a preconfigured rented router.** This router must be returned on cancellation of this service. Service excludes Telkom line rental.

PRE-INSTALLATION:

**Your Network Technician may need to assist you with these details.
If not completed, Interprise will be unable to fulfil your order.**

Do you have an EXISTING ADSL line?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
If YES, please provide the ADSL line telephone number:		
If NO, would you like Interprise to order your ADSL line from Telkom?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
If YES, please fill out a TELKOM line order form, and attach to this order – your Interprise Sales Representative will be happy to supply you with this. Interprise will not be able to complete your line order without these details.		

Router Setup Information

Do you require default configuration (No internal IPS or Natting)?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Do you require the Router to act as a DHCP Server?	<input type="checkbox"/> YES	<input type="checkbox"/> NO

DHCP Range

IP Range (e.g. 192.168.10.0)	Subnet Mask (e.g. 255.255.255.0)	Default Gateway (e.g. 192.168.10.1)

Excluded IPS

Internal Ranges		
IP Range (e.g. 10.0.1.0)	Subnet Mask (e.g. 255.255.255.0)	Default Gateway (e.g. 192.168.10.1)
Do you require Static Nats?		
Internal Ranges		
IP Range (e.g. 10.0.1.34)	External IP (Assigned by Interprise)	Ports (e.g. 25 or all)
Do you require an overload NAT (Many to one)?		
There are a total of 5 public IP addresses, should you require an overload NAT, the last of your allocated 5 IP's will be used. You will therefore only have 4 IP addresses available for static NATs.		
Do you require SNMP to be configured? Please contact Support once installation is complete.		
Do you require additional routes to be added?		
Destination Range	Subnet Mask	Gateway
Mail Solutions		
<input type="checkbox"/> ODMR @ R 200.00 pm	<input type="checkbox"/> Secondary ODMR @ R 200.00 pm	<input type="checkbox"/> ETRN @ R200.00 pm
Please Note: Interprise strongly recommends ODMR solution instead of domain pointing, simply because should the mail server's IP go down, you will not have access to mail. For more details, please speak to our Sales consultants.
