TELKOM ADSL LINE ORDER				
Telkom Costs				
Turnaround Times: Telkom advise that the standard turnaround time for an ADSL line order with installation is 6 – 8 weeks. Please note that this is NOT guaranteed, and Interprise cannot guarantee that a line will be installed – this is at Telkom's discretion. We will however do our utmost to ensure that your installation is completed.

Please note – Telkom does <i>not</i> allow us to apply on your behalf if any of the following apply: <ul style="list-style-type: none"> You must be an EXISTING Telkom client for us to apply on your behalf, even if we are applying for a new line for you. For a new Telkom client, you will need to apply at your local Telkom office – once Telkom provide you with a reference number, we will then be able to track this on your behalf. We cannot apply using foreign passport numbers – this must be done by you. Once Telkom provide you with a reference number, we will then be able to track this on your behalf. Should your Telkom account be under a business name, we cannot apply for a home user connectin for you. Should you be a corporate client with Telkom, you will need to provide us full contact details for your corporate account manager in order to process this application – we are unable to place the order without this information. A telephone number that is part of a switchboard setup CANNOT be converted to ADSL. 				
NB: The above pricing is in ADDITION to your existing telephone line rental and calls, and will be detailed separately on your Telkom invoice. Telkom will invoice you directly. Interprise will invoice you separately.
